7. When the question was first considered in file 162-08, the then Md Settlement stated that the finances of the Dist would not permit any recurring additional expenditure that the expenditure from the Revenue was much more its receipts and that the grants under Hd Medical have been heavy enough. Nothing has since taken up then has occurred in any way but will has changed at all it is on the worse as against an excess expenditure over receipts of Rs 4000 in 08, the excess is now Rs 5000 & perhaps the Md is much better in its finances. In these circumstances however much a dispensary at Melkote may be necessary it has to be declined on account of the financial stain involved in it.

SIR,

In submitting herewith an extract from the proceedings of the District Board passed at a meeting held on 11th November last re-the opening of a Dispen-sary at Melkote, I have the honour to request that Government may be pleased to sanction the opening of a Dispensary at Melkote, 1/3 of the cost being debited to District Funds and the remaining 2/3 to Provincial funds as the Municipality is too poor to bear its quota. This subject has been discussed almost at every session of the Dasara Representative Assembly and want of medical help is bitterly felt by the inhabitants of Melkote.

I have the honour to be,

Sir,

Your most obedient Servant,
